Subject: Support for the upcoming South Sudan Global Partnership Summit

Dear Sir/Madam,

On behalf of the Ministry of Investment of the Republic of South Sudan, I am pleased to express our support for the South Sudan Global Partnership Summit, scheduled to take place in Juba from Tuesday, 29th September to Thursday, 1st October 2026.

The Government of South Sudan is committed to supporting credible, long-term inward investment and to building practical partnerships with international companies, investors, financial institutions, and development partners. The Ministry of Investment recognises the importance of structured engagement platforms that enable direct dialogue between the Government and the international business community, with a focus on commercially viable opportunities and sustainable investment outcomes.

The South Sudan Global Partnership Summit is supported as a forum for focused commercial engagement, partnership development, and informed decision-making. The summit is designed to bring together senior government representatives and international stakeholders to explore investment opportunities, discuss project pipelines, and strengthen cooperation across priority sectors.

Key areas of focus include, among others: energy; agriculture and food production; infrastructure development; healthcare; education and skills development; information and communications technology (ICT); finance and investment; manufacturing; mining and natural resources; tourism and hospitality; water and sanitation; and environmental and sustainable development.

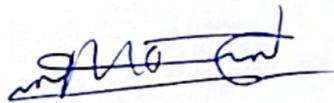

The Ministry welcomes the role of CWI Summits Ltd in convening this summit and in engaging the international private sector on behalf of South Sudan. We

encourage international companies, investors, funds, banks, and institutional partners to engage with the summit and to explore opportunities for cooperation and investment aligned with national priorities.

The Ministry of Investment looks forward to continue collaboration with CWI Summits Ltd to support a commercially focused, results-oriented summit.

We thank you in advance for your support

With best regards

Hon. Amb. Joseph Moum Majak
